### ROAD READY PEARL HARDWARE

Pearl makes the toughest, most road ready hardware on the planet today. Pearl hardware has become the standard in the industry for design, function and dependability. We have four complete Hardware lines, including a huge selection of different Cymbal Stands, Boom Stands, Hi-Hat Stands,

Snare Stands, Combination Stands, and full Drum Rack Systems. Above is just a small sampling of the stands you might choose when adding to your Forum, Export or Export Select Series drum set. By adding a few cymbals and accessories to your kit, its easy to create a drumset that's perfect for your style of play.

### TOM AND CYMBAL HOLDERS

Our Tom and Cymbal Holders allow you to quickly add more drums or cymbals to your existing stands, by simply adding a holder and an adapter. We have many, many, more available, and above you will find some good choices to start. The TH-885 above is a short version of our standard EX and ELX Tom Holder. Our CH-80 and CH-75 can be used with any one of our adapters including the AX-20 and AX-25 shown above, and our CH-70 features a complete Cymbal Holder option with an integrated adapter for the quickest, easiest way to add another cymbal to your kit.

### POWERPRO BASS DRUM PEDALS

Pearl Bass Drum Pedals are simply the best in everyone's book. Our new top of the line PowerShifter Eliminator Pedals are so revolutionary, that every drum magazine in the world has given them unbelievable review ratings. Our PowerPro Bass Drum Pedals, shown above, are direct descendants and are standard equipment on both EX and ELX offering unmatched speed, quickness and power. Many players can't do without a double pedal, and our P-100TW PowerPro is a great choice. It offers direct chain drive, silent felt lined chain channels, aircraft aluminum connecting shaft, and two DuoBeat Beaters.

### PEARL SNARE DRUMS

You'll find the quickest way to change the driving force and overall dynamic of your kit is by using a different Snare Drum. Many players own a wide selection and choose the one that best represents the mood of the song they are playing. For Snare Drums, Pearl is second to none, offering what has to be the largest, most varied selection available. A few great choices are shown

above including our Chad Smith Signature Series 5"x14" Black Nickel Plated Steel Shell Snare Drum, our Brass Shell Sensitone and Brass Shell Free Floating System Drums, our 3"x13" Black Steel Piccolo, our Steel Shell 5"x12" Power Soprano and our 100% Maple, 6"x10" Popcorn Snare Drum. With so many more Snare Drums available, you can rest assured, if it's a great sounding Snare...Pearl made it.

FORUM, EXPORT AND EXPORT SELECT SERIES DRUMS FOR 2001

# EXPORT SELECT EX

One look and listen to our all new Export Select Series for 2001, and you'll understand exactly what all the fuss is about. Our all new complete redesign has given these drums the look, sound, features, and performance of true hi-end drums, but without the forbidding hi-end price tag. Export Select offers unheard of value and performance, far superior to any other kit in its price range. That's why you see Export Select kits on stage after stage, played by true working drummers all over the world.

The all new beautiful Split lugs on ELX mimic the look of our acclaimed hi-end Masters Series drums, and stunning new lacquer finishes allow the visual prestige of its premium natural wood grain to show through. When you dig deep into the features of ELX, you'll find they're hi-end all the way. Features like our patented Integrated Suspension System Tom Mounts on all mounted toms for an amazingly live tone, a new matching wood shell 5.5"x14" Snare Drum, a full set of our road ready 800W double braced hardware, our PowerPro Chain Drive Bass Drum Pedal with the all new DouBeat Beater System, specially priced Cymbal packs exclusively made for Export Drums by Sabian, and all drums are fitted with quality ProTone heads, including our ProTone Bass Drum heads with a self-muffling perimeter EQ System.

If you're searching for the true leader in this price range, then your search is definitely over. Export Select for 2001...for sound, looks, performance and quality, any other kit seems a distant second choice.

# ELX FEATURES EX

**NEW HI-END STYLING**  
Our all new Export and Export Select Series drums for 2001 feature a boldly exciting new split lug design with a strong family resemblance to our hi-end Masters and handmade Masterworks drums. The look is unmistakably Pearl, right down to Export's all new etched badges and all new color choices.

## I.S.S. TOM MOUNTS

Pearl's Integrated Suspension System Tom Mounts grip the drum by the rim, without touching the shell. This allows the tom to resonate completely unrestricted. The effect on both tone and sustain is extremely dramatic. There is no system on the market today that offers the simplicity and overall effectiveness of Pearl's I.S.S. mounts.

## ALL POWERPRO HARDWARE

Both Export and Export Select prepackaged kits feature a full set of the most popular hardware line we offer...800W PowerPro. This isn't some cheap hardware you'll break or trade in next year. This is the same hardware some of the world's top players tour the world with. Each kit features a fully adjustable S800W Snare Stand, a Chain Drive H800W Hi-Hat Stand with swiveling legs, a double braced C800W Cymbal Stand and our famous chain Drive P100 PowerPro Bass Drum Pedal with the all new DouBeat dual sided beater system.

## FREE THRONE

To complete your kit in style, all pre-packaged standard Export Kits (EX) come complete with our sturdy, double braced D75 Drummers Throne...FREE.

## MATCHING SNARE DRUM

Nothing complements the look and sound a high quality kit like a perfectly matched Snare Drum. Every Export and Export Select kit for 2001 features a matching wood shell 5.5"x14" Snare Drum for the ultimate in warmth, tone, and ear splitting attack.

## KITS WITH OR WITHOUT CYMBALS

Our extremely popular Ready, Set, Go concept allows you to add a full set of ultra-high quality, great sounding cymbals to your Export or Export Select kit, at an unbelievable discount over purchasing both separately. Pearl Cymbals are an exclusive, extensively researched and manufactured specifically to perfectly complement your Export or Export Select Series kit by Sabian, one of the most respected cymbal names in the world. Pearl cymbals are made from their highly acclaimed proprietary Bronze Formula and are available in both a Performance Ready 2 Pack, featuring a set of 14" Hi-Hat Cymbals and a 18" Crash/Ride Cymbal, or a Performance Ready 3 Pack, featuring a set of 14" Hats, a 16" Crash and a 20" Ride Cymbal.

# EXPORT

How do you top the best selling, most widely played drumset in the world for the last ten years running? Easy. Refine the look to full hi-end status, add a host of incredible new features, throw in a FREE throne, and lower (yes lower) the price.

Introducing the all new Export Series for 2001. The kit that sets the standard for all others to follow just keeps getting better and better.

Export has long been a favorite with its road ready durable covered finish, and now with all new split lugs and etched badges, its look is nothing short of stunning. But Export is more than just great looks, in fact it shares all the other outstanding features of its sibling Export Select. Features like our I.S.S. Tom Mounts, sturdy 800W Hardware, quality ProTone Heads, matching wood Snare Drum, and exclusively produced Cymbal Packs by Sabian, one of the absolute finest names in cymbals today. Features are great, but sound is where Export really shines. Both Export and Export Select share a shell produced by the finest shell forming system in the world, Pearl's exclusive Heat Compression Shell Molding System or HC/sms for short. Its this exclusive system that gives Export the tone, warmth, volume and clarity that has made this series the best selling drumset in the world, year after year.
