WHY PEOPLE SO HIGHLY EVALUATE "PEARL" PRODUCTS?

BECAUSE, it has been our motto to put out products of attractive designs and ever improved structure, combining modern senses and superior techniques so that we may be able to offer our customers the highly reputed unique "PEARL" products.

BECAUSE, every part used in a "PEARL" product, for instance, represents our most careful consideration and study based upon the advice and instructions of well-known performers. Every one screw is produced after the most rigid scrutiny and under the integrated process in our plants equipped with the most up-to-date facilities.

BECAUSE, we make our products with most careful attention to only one thing, namely, how to please our customers. Our products are used for Jazz music, for Latin American music, for Orchestra, and for Parade range widely from those suitable for the experts and for the beginners.

NO WONDER, all the "PEARL" products are highly recommended by many professional musicians of international fame.

Why not try "PEARL" products for your satisfaction and real enjoyment? ........................................

PEARL DRUM FEATURES

COUNTER HOOP
Highly polished chrome plated, perfect circle and exactly right angle hoop will catch drum head perfectly. Sound effect is excellent.

NEW FREE ADJUSTABLE TOM-TOM HOLDERS
All-Directional, Simple and Strong. Smoothly inter-changeable. Fastest Set-up and Knock-down with one screw on the top of holder. Standard Drum Key does it all.

METAL HOOPS FOR BASS DRUM
"Pearl" Bass Drums increase in tone brilliance and produce more varieties of sounds by attaching strong perfect circle and beautiful chrome finished steel hoops, Pearl inlaid.

SHELLMOUNT CYMBAL HOLDER
A telescopic and L-angle type shellmount cymbal-holder is freely available at any height, angle and position by sliding the rods. Chrome finish die-cast bracket will keep it exactly in place with standard tension key.

SNARE STRAINER
Unique Snare release permits maintenance of uniform control in both "on" and "off" positions. Precision adjustment lever permits quick and easy return to original tension setting.

LEGS FOR FLOOR TOM-TOM
Stylish rubber-tipped bent shaped legs provide an extra wide angle stance for the floor tom-tom. Keep it exactly in place.

T-HANDLE ROD WITH HOOK FOR BASS DRUM
Hook will fit in hoop completely and T-Handle is designed for easy tightening by any players.

SPURS FOR BASS DRUM
Bass Drum has rubber-tipped spurs retractable into drum to the utmost portable convenience.

TENSION RODS
Chrome finish acute square head of rod will tighten easily and certainly.
